The club is a forum for people who enjoy a common interest in photography, where they meet to share their ideas and improve their photographic and presentation skills in a friendly atmosphere. The club's main focus is on digital photography, but includes print presentations. Competitions, notable guest speakers, feature theme presentations, workshops, and field trips all provide a wide variety of interesting activities for photo enthusiasts from beginners to advanced levels. Guests are always welcome. The club meets most **Monday evenings** from September through April at Humber Valley United Church, 76 Anglesey Boulevard, in Etobicoke.
