About Us:

The **Etobicoke Camera Club**, established in 1957, has been serving our photographic community continuously for 60 years. The club is a forum for people who enjoy a common interest in photography, where they meet to share their ideas and improve their photographic and presentation skills in a friendly atmosphere. The club's main focus is on digital photography, but includes print presentations. Competitions, notable guest speakers, feature theme presentations, workshops, and field trips all provide a wide variety of interesting activities for photo enthusiasts from beginners to advanced levels. Guests are always welcome. The club meets most **Monday evenings** from September through April at Humber Valley United Church, 76 Anglesey Boulevard, in Etobicoke.

Membership benefits include :

- Entertaining presentations by members and invited guest speakers
- Educational presentations and workshops
- Participation in competitions and informal image evaluation sessions
- Outings to places of photographic interest in and around the GTA
- The Viewfinder publication containing Club news, reviews and articles
- Fellowship and social events
- Access to the club website and educational archives

Further club details and the updated calendar can be viewed at:
