CHRISTMAS SOCIAL - DEC 13TH:

All members are welcome to bring their spouse, a friend, or significant other to the Christmas Social.

The evening will begin with our Trios fun competition in both film & digital projection. After the competition we'll all adjourn to the buffet tables to enjoy the hot & cold finger foods and to socialise for the remainder of the evening. Coffee & tea are compliments of the club.

ECC MEETING NIGHT CONFLICT:

Remember: there is **no meeting January 3rd**, as the church is not available. The first meeting in the new year is January 10th.

NOVEMBER 19th NEW MEMBERS' NIGHT: JUDY GRIFFIN, MARK BARGENT, & CARM GRIFFIN.

This year the New Members' Night was held on a club night, our expectation was that we'd be able to accommodate all the new members on a Monday night. Some 10 new members attended, and some not-so-new members as well. And that was OK, as there was good interaction, lots of questions were asked.

GTCCC INTERCLUB COMPETITION:

Attached you will find copy of the entry form and rules of competition for the 2005 GTCCC Interclub Competition. Please bring your slide & print entries to the January 10th or 17th 2005 meetings. Doug Satchwell will elaborate on the competition at the Dec 13th club meeting.

Note the revised Nature rules and also note that regardless of how many clubs one may belong to, the maximum # of 8 images per individual now applies. One can split their 8 images in any arrangement among their member clubs, but if you exceed the 8 the GTCCC Rep will arbitrarily select the images to disqualify. Note that images older than December 31, 1999 are not eligible and will be disqualified - there is a 5-year qualification period.
